

DISCIPLINE

Each parish or inter-parish school shall enact and publish a current standard of student conduct. The behavior necessary to promote the Christian mission of Catholic schools shall be included.

DISCIPLINE

Principals shall assume a leadership role in holding students accountable for maintaining the published standard of student conduct.

Disciplinary procedures employed by principals and teachers shall:

- enhance the dignity of the human person,
- encourage students to assume responsibility for their behavior, and
- assist students in the ability to make choices which will lead to satisfying productive lives of Christian commitment.
