## CHILD CARE SERVICES

**"Child Care"** refers to noncompulsory programs for infants up to children of school age, providing care for an extended period of time.

**"School-Age Care Programs"** refer to programs provided for school-age children outside the hours of the regular school day. This would include programs before and/or after school and when schools are not in session.

**"Preschool"** refers to noncompulsory programs for preschool-age children (ages 2 1/2 through 5) which are primarily instructional and which follow a school year calendar.
