

**Parental Denial of Permission to Participate
In the Safe Environment Education Program for Children**

I, _____, understand that a Safe Environment Education Program for children is being implemented in my parish school and/or religious education program. However, I do NOT consent to my child's participation in this program. I also understand that the school and/or religious education program will provide to me, upon written request, age-appropriate materials so that I can implement the Safe Environment Education Program with my child in our own home.
